-

1) Centers for Disease Control and Prevention: Partnership for Surveillance Collaborative – Deadline: June 10, 2011

Funding Opportunity Number: CDC-RFA-OE11-1104

Expected Number of Awards: 3

Estimated Total Program Funding: \$300,000

Award Ceiling: \$150,000

Award Floor: \$80,000

CFDA Number(s): 93.283

Eligible Applicants: Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education

Purpose: to support innovative partnerships and collaborations that advance public health surveillance. This program aims to improve data access and quality in order to accelerate effective public health decision-making and program planning. In addition this program will foster collaboration among various stakeholders, including, non-profits, states, territories and tribes, it will focus on leveraging investments in advancing the use of healthcare information resources for public health applications, as well as advance broader uses of health and risk factor data. This will result in more robust surveillance solutions that solve common problems, are easily transferable across states, and advance current CDC and HHS priorities.
